I have taken note of the fact that the organizers and promoters of the Alpen Challenge Lenzerheide, Grischavent GmbH, Lenzerheide Marketing & Support AG and the sponsors, partners and authorities associated with the Alpen Challenge assume no liability for personal injury, property damage or financial loss. I hereby expressly and irrevocably declare to the organizers and promoters that I am responsible for my own safety and agree to bear all risks and dangers arising from my participation and the execution of the event.

I am insured with an insurance company licensed in Switzerland and Italy for legal liability for personal injury and property damage in an amount appropriate for such an event. I am aware that participation in an event such as the Alpen Challenge places physical and technical demands on me. I am up to these demands and confirm that my equipment is in perfect working order and that I am in good physical health and fitness. The organizers of the Alpen Challenge recommend consulting a sports doctor before participating.

Helmets are compulsory throughout the entire Alpen Challenge, and active lights on the bike are also mandatory on the long course (Challenge). I hereby declare that I will carry them with me, switch them on in the tunnel passages and acknowledge that failure to do so may result in disqualification or time penalties. I also acknowledge that catering by third parties is only permitted within the official catering zones, that accompaniment by private vehicles is not permitted and that catering or support outside the catering zones may also result in time penalties or disqualification.

The routes of the Alpen Challenge Lenzerheide are not closed to public traffic. The Road Traffic Act must be observed along the entire route and the right-hand driving rule applies. The instructions of the organizer's staff and the traffic authorities must be followed immediately and without exception. In the event of punishable violations of the Swiss Road Traffic Act and the Codice della Strada in Italy, the organizer is entitled to pass on the personal data of the participants concerned to the authorities. There are level crossings on the Alpen Challenge route. When the lights are red, crossing the railroad tracks is prohibited and will result in disqualification.

I am fully responsible for any accidents caused by me and the resulting damage to the organizer or third parties, subject to contributory negligence. I fully indemnify the organizer against all claims of third parties against the organizer in connection with damage caused by me and shall also bear all costs incurred in this connection. I confirm that I will not make any claims against persons, institutions or companies involved in the organization of the event. I agree to the publication of photographic material taken at the event. I undertake to inform the organizer immediately if I withdraw from the race. Otherwise I will bear the costs of any search operations.

I have read, understood and acknowledged these rules, conditions and regulations for the Alpen Challenge and accept them as binding. In case of doubt or dispute, the original German text shall prevail.
